

"'Q' is a hell of a lot of fun - a dandy entertainment of surprising quality thanks to first-class performances by Michael Moriarty and David Carradine and Larry Cohen's multi-talents. New York has never been transferred to film with so much grit and beauty."

- JUDITH CRIST

"'Q' is fasten-your-seatbelt entertainment for connoisseurs of the instant tingle. Larry Cohen combines shock with good humor, literate dialog, well developed characters and a sensational performance by Michael Moriarty - a kinky tour de force!"

- Bruce Williamson, PLAYBOY

"★★★. 'Q' is a genuinely entertaining film. A terrific performance by Michael Moriarty - wonderful writing by Larry Cohen - it's all a lot of fun! Recommended."

- Gene Siskel, CHICAGO TRIBUNE & "AT THE MOVIES" (TV)

"It's not a plane. It's not Superman. Happily, it's 'Q.' Larry Cohen's funny, affectionate and highly entertaining horror movie with exceptionally winning performances. 'Q' lets Michael Moriarty loosen up and display an antic sensibility. All 'Q's' stars seem to be having the time of their life. Gracefully filmed in New York."

- Kevin Thomas, L.A. TIMES

"A delightful sci-fi winner - has wit, style and great fun -"

- Klad, VARIETY (May 27/82)

"A surprise! A horror movie with a touch of class. Michael Moriarty is one of our best actors."

- Gary Franklin, CBS-TV

"The most entertaining horror item since 'The Howling.' 'Q' achieves an eerie vertiginous poetry. Special effects are surprisingly effective. Moriarty is spectacular."

- J. Hoberman, VILLAGE VOICE

"A loose jazzy monster picture with an abundance of hip humor."

- Jeffrey Wells, FILM JOURNAL

"A horror classic. As tense and classy a shocker as has come down the pike in many a long day. A classic like the original 'Invasion of the Body Snatchers' that will be around for a very long time chilling generations of horror fans yet unborn."

- Tom Sullivan, HERALD NEWS, N.J.

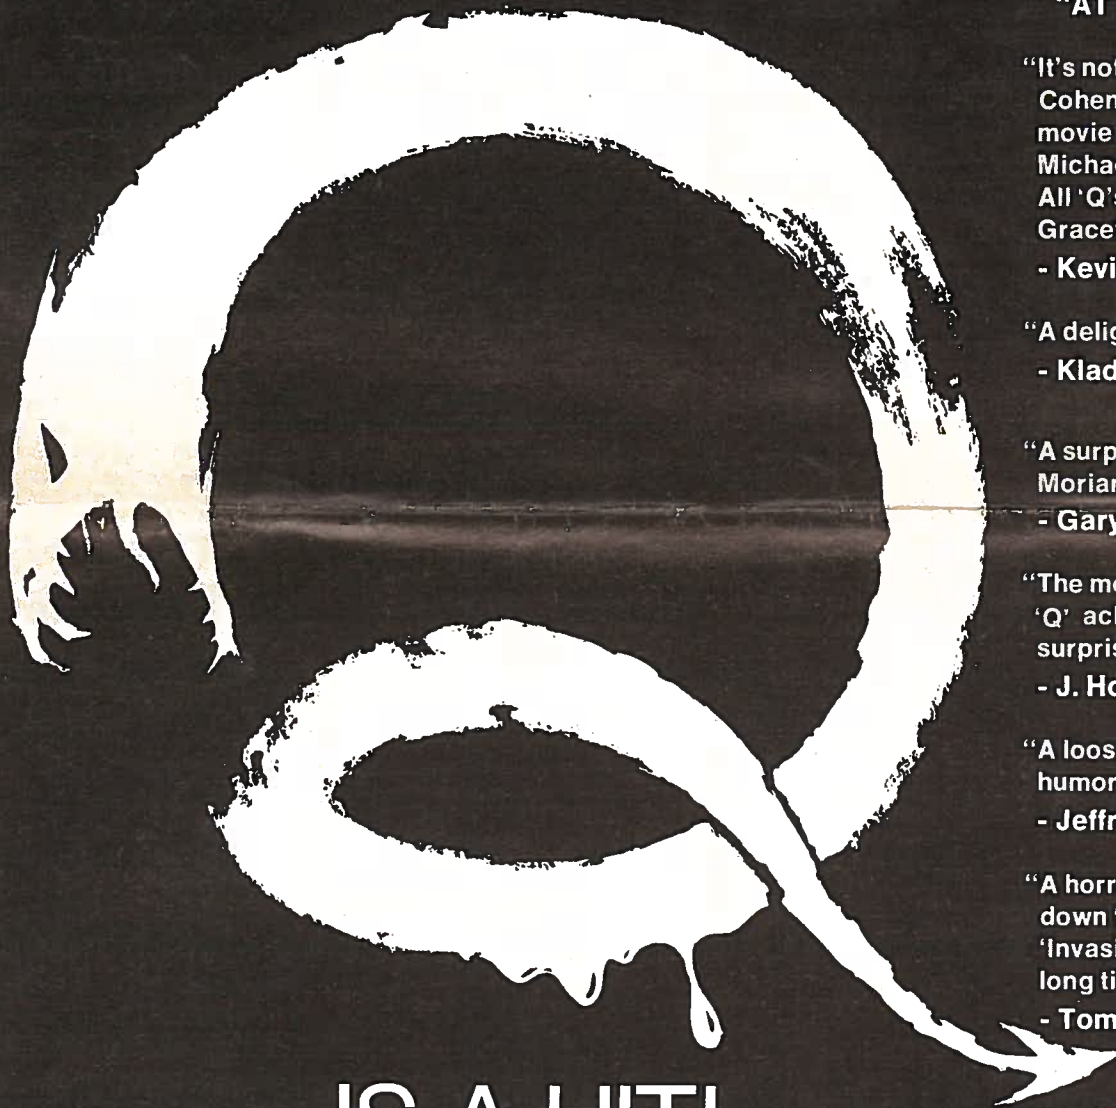

"The best and funniest horror movie of the last two years."

- Bob Martin, STARLOG MAGAZINE

"You'll have a real good time . . . Moriarty turns in one of the best performances of the year - a serio comic romp fully the equal of O'Toole's in 'My Favorite Year.' Carradine plays off Moriarty beautifully."

- L.A. WEEKLY
